

## GT-H

The most powerful strapping solution with maximum tension, suitable for **heavy-duty applications in the metal, timber and construction Industries.**

### GT-SERIES KEY FEATURES

- » Easy to use tool. The lightest on the market
- » Compact and ergonomic design with rubber non-slip handle
- » Efficient manual operation thanks to the good balance
- » Simple and user-friendly interface
- » Digital display with visible parameters (e.g. number of cycles, tensioning force, welding time)
- » Suitable for different strap sizes (from 9 mm to 25mm)
- » Stable performance due to Li-Ion battery technology (with no "memory effect")
- » Option to lock the keypad in order to improve safety
- » Easy removable casing for quick maintenance
- » Low maintenance required due to brushless motor
- » Tool status easy to check via computer

### SPECIFICATIONS

- Package type:** Flat surface (min. 120 mm)  
Round surface (min. diam. 700 mm)
- Strap quality:** PET
- Strap Width:** 19 mm / 25 mm
- Strap thickness:** from 0.8 mm up to 1.30 mm with 19 mm  
from 0.8 mm up to 1.05 mm with 25 mm
- Max. tension on single strap:** 4.500 N
- Soft mode:** 500 N
- Max. tension on the package:** 9.000 N
- Max. Tension speed:** 15,0 mt/min
- Joint type:** Friction weld seal
- Weight:** 4 Kg. (inc. battery)
- Battery:** Akku Power SP5 18 Vdc 5.0 Ah Li-Ion

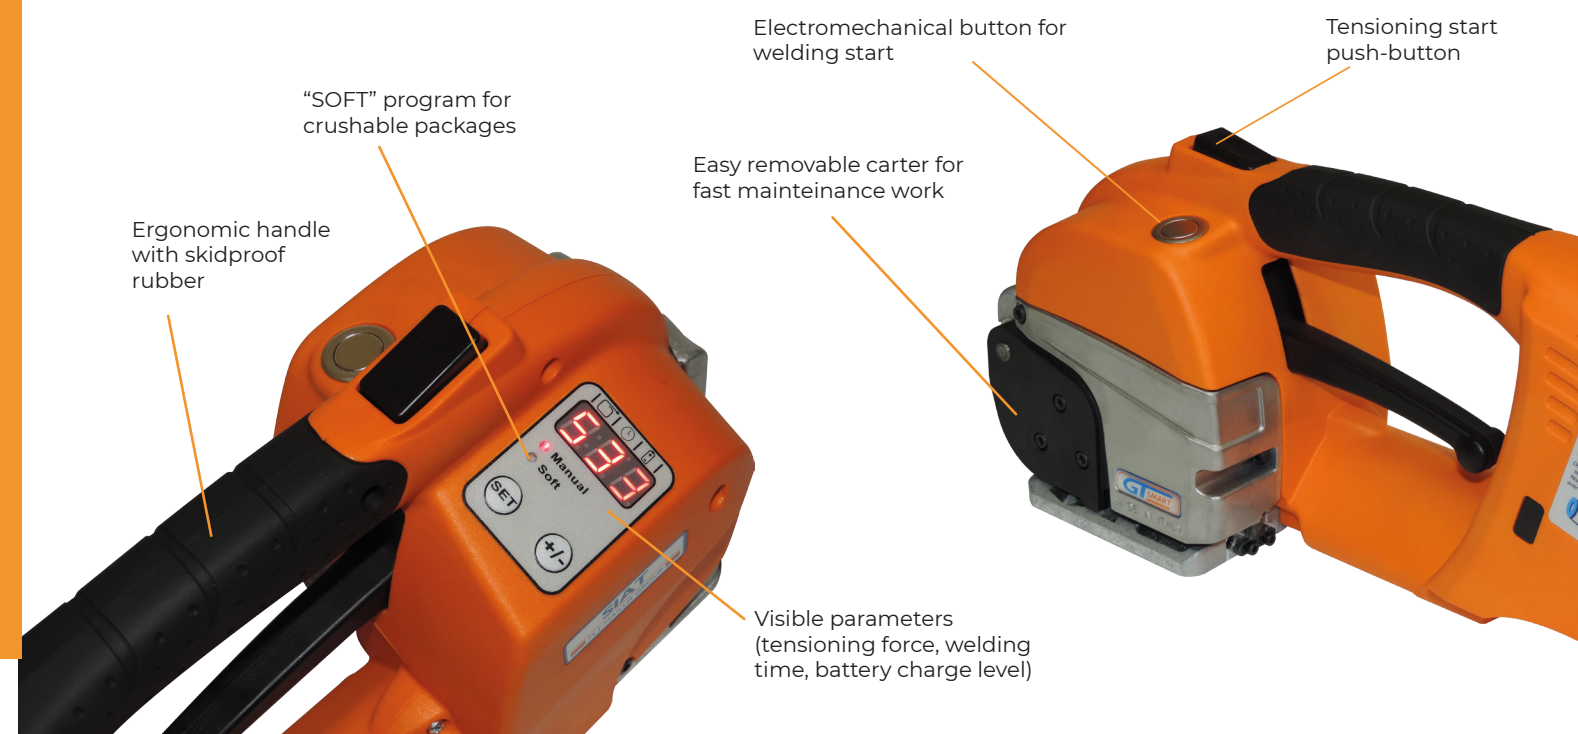

### OPTIONALS

- Akku Power SP5 Battery 18 Vdc - 5.0 Ah Li-Ion
- Battery charger for Li-Ion Battery Akku Power

### KEY FEATURES

- » Max tension: 4500 Newton
- » Weight: 4 kg including battery
- » 4 setting mode available
- » Battery: Akku Power SP5 18 Vdc - 5.0 Ah Li-Ion
- » Brushless motor (Bosch)
- » Perfect balance
- » Robust cover realized with HIGH TECH materials
- » Rubber non-slip handle
- » Front and rear adjustable guide

### POWER IN YOUR HANDS

## GT-Series

BATTERY STRAPPING TOOLS FOR PLASTIC STRAPS

# GT-Series

PERFECTION IN EVERY DETAIL

**GT-Series** is the battery strapping tool range by **SIAT Maillis** that provides you the **optimized solution for all Industry applications, from light bundle strapping up to heavy duty pallet strapping.**

## STRAPPING IS MEANINGLESS WITHOUT ABSOLUTE PARAMETER CONTROL

Ranging from soft strap applications heavy duty automatic one, the **GT-Series** strapping tools is the optimized solution.

Easy to use and to adjust, the series ensures high and consistent levels of load security.

## GT-Series. DISCOVER THE TECHNOLOGY

## GT-SMART

Your access to the world of mobile strapping specifically designed by SIAT Maillis to outperform when used in **light applications, from bundle strapping up to light pallet strapping.**

### SPECIFICATIONS

**Package type:** Flat surface (min. 120 mm)  
Round surface (min. diam. 700 mm)  
**Strap quality:** PP/PET  
**Strap Width:** 9 mm / 16 mm  
**Strap thickness:** from 0.4 mm up to 0.85 mm  
**Max. tension on single strap:** 1.800 N  
**Max. tension on the package:** 3.600 N  
**Max. Tension speed:** 14,0 mt/min  
**Joint type:** Friction weld seal  
**Weight:** 3.5 Kg. (inc. battery)  
**Battery:** Akku Power SP1 14.4 Vdc 3 Ah Li-Ion

### OPTIONALS

Akku Power SP1 Battery 14.4 Vdc - 3.0 Ah Li-Ion  
Battery charger for Li-Ion Battery Akku Power

### KEY FEATURES

- » Weight: 3.5 Kg including battery (the lightest on the market)
- » Functioning mode: semi-automatic / manual / soft
- » Brushless motor
- » Perfect handling
- » Robust cover realized with HIGH TECH materials
- » Rubber non-slip handle
- » Front & rear guides adjustable for all strap dimensions

## GT-ONE

The perfect all-rounder for automatic strapping. It has been designed for **all medium pallet strapping applications.**

### SPECIFICATIONS

**Package type:** Flat surface (min. 120 mm)  
Round surface (min. diam. 700 mm)  
**Strap quality:** PP/PET  
**Strap Width:** 10 mm / 16 mm  
**Strap thickness:** from 0.5 mm up to 1.10 mm  
**Max. tension on single strap:** 2.750 N  
**Soft mode:** 500 N  
**Max. tension on the package:** 5.000 N  
**Max. Tension speed:** 15,0 mt/min  
**Joint type:** Friction weld seal  
**Weight:** 3.7 Kg. (inc. battery)  
**Battery:** Akku Power SP3 14.4 Vdc 4.0 Ah Li-Ion

### OPTIONALS

Akku Power SP3 Battery 14.4 Vdc - 4.0 Ah Li-Ion  
Battery charger for Li-Ion Battery Akku Power

### KEY FEATURES

- » Maximum tension: 2750 Newton
- » Weight: 3,7 Kgs including battery
- » 4 setting mode available
- » Battery: Akku Power SP3 14.4 Vdc - 4.0 Ah Li-Ion
- » Perfect handling
- » Robust cover realized with HIGH TECH materials
- » Rubber non-slip handle
- » Front & rear guides adjustable for all strap dimensions

#### SIAT AND MAILLIS GROUP

SIAT is the famous Italian Brand of strapping hand tools, s/a wrappers and case handling machines, which forms part of the **Maillis Group**.

With **over 50 years experience**, Maillis is an essential player in Transit Packaging Solutions, designing and manufacturing complete wrapping, strapping and carton sealing systems.

Operating **5 production units around the world** and

employing over **1,200 qualified employees**, Maillis provides you with **reliable system solutions**, incorporating **machines, consumables and services** to face your everyday challenges across different industries.

Thanks to the state-of-the-art production equipment, optimized processes, premium raw materials and advanced technical know-how, we are able to **cover a wide range of applications** with unique material properties and **optimized solutions**.
