

S26 Semi-Automatic Carton Sealer

Strong lifting structure with A-frame

Bottom side application tape

Perfect control by side guides

S26 represents the semi-automatic machine with manual adjustment designed for king size boxes.

Easy to use and simple to adjust, this machine enables to start the production in few minutes time.

Thanks to the top and bottom drive belts and the K12R or K11R taping units, they allow the perfect sealing of the box.

The strong dual mast structure with A-frame of the S26 is ready to process big size cartons, always keeping the high level of reliability of SIAT machinery.
